Thunderbird Family,

As our winter activities get started we wanted to reach out and remind you that our priority at Johnson County Central is to provide a safe & positive atmosphere where our students can compete and experience high school sports & activities. In addition, we want our families to share in the experience as much as possible. Please be flexible with us as things will be changing for both home and away events. We will do our best to keep you up to date as protocols change. **The NSAA is requiring all non-active participants, spectators, and coaches to wear a face-covering at all times.**
